Who is covered, and how it applies

COVERED AREA

24 counties and 25 tribal nations

The full list is the one in IRS relief notice WA-2025-03.

HOW IT APPLIES

Automatic — no application

The IRS identifies taxpayers whose address of record sits in the area.

COVERS FROM

Federal returns and payments due on or after Dec 9, 2025

This case needs a phone call

A client outside the area whose records or preparer are inside it is not covered automatically — call IRS Special Services on 866-562-5227. Firms holding records for ten or more clients can use the bulk request route.

Read the banner, not the body

THE UPDATE BANNER

Deadline moved May 1 → Aug 5, and the area was expanded

THE BODY BELOW IT

Still says May 1, still lists the original 17 entries

The IRS never rewrote the body. Read it alone and you are three months stale and short eight counties.

One more trap

Samish appears among those 17 entries. It is the Samish Indian Nation — Washington has no Samish County.
